

Let's have a look at the most important milestones of the project so far!

**1.**

### **The Project**

The project ensures that kindergartens become more sustainable and that teachers serve as role models, demonstrating greener behaviours to their students through formal education that utilises experiential and gamified learning to enhance this experience.

### **2. Project Kick-off**

On February 2023, the project's partners met in Belgrade, Serbia for the project's official kick-off meeting!
